TOGETHER AGAIN
EXPANDING ACCESS
2023 CTEBVI CONFERENCE

Call for Poster Sessions

63rd Annual CTEBVI CONFERENCE
April 20-23, 2023

Expanding Access is the theme for CTEBVI's 63rd Annual Conference. This year we will gather again at the San Francisco Airport Marriott Waterfront.

As we celebrate being together again after two years of virtual conferences, we invite you to share one or more of your fresh ideas, innovative insights, successful programs, or research results, addressing the wide range of issues facing those serving children and adults who are blind or visually impaired. Please share this letter with others who may be interested in presenting.

CTEBVI is proud to celebrate our 63rd conference. It is considered to be one of the most inclusive in the field, encompassing transcribers, teachers, paraprofessionals, rehabilitation specialists, orientation & mobility specialists, students, and parents and all other advocates for K-12 blind and low vision students, both nationally and internationally.

General Information about Poster Sessions

Poster Presentations provide an informal forum for information sharing and discussion. Poster presentations are self-explanatory displays of information. Poster presenters personally attend their displays in order to provide additional information and to discuss the topics with attendees. Conference participants circulate through the poster session and interact with the presenters on a one-on-one basis. Poster presentations will be displayed on Saturday, April 22, 2023, from approximately 7:30 AM to 9:00 AM. A continental breakfast will be available to all participants and attendees.

Proposal Submission Process

Deadline for proposal submission is **February 15, 2023**.

Proposals are to be submitted through a web-based submission process using the link below. Please have all your information ready before you begin to enter your proposal.

Submission forms must be completed in full. You will need to provide the following pieces of information:

Poster Session title. Titles will be limited to or edited to a limit of 100 characters.

Description of presentation: This should be a brief description of your presentation and will be included in the conference program.

Names and contact information for each presenter: Before submitting a proposal, the lead presenter should confirm the commitment of co-presenters and include them and their contact information on the proposal submission form. Please reflect the contact information that you want included in the conference program.

Brief profile of each presenter, including degrees, credentials and agency affiliations if appropriate.

Ready to submit a Poster Session Proposal? Click on the link below to go to the submission form for the 2023 CTEBVI Conference:

2023 Poster Session Proposal Form

If you have questions or need additional information or want to brainstorm ideas, etc., please contact Sue Reilly, CTEBVI Workshop Chair at ctebvi.workshops@gmail.com.

Deadline for proposal submission is February 15, 2023. Accepted presenters will be notified by the end of February 2023.
